Settling In / Gradual Admissions

It is our aim to allow all children time for settling in, so that the child can form relationships with their carers and become familiar within the nursery surroundings. Each child and their needs differ so the length of time for settling in varies from child to child. We find this normally consisting of 2-3 sessions. Prior to the child starting at Nursery, the Nursery Manager will arrange a home visit to meet with child and parents in a familiar environment and to complete Initial Assessment Paperwork to ensure a smooth transition into nursery.

Parents can then attend the nursery the week before the start date with the child for settling in until he or she is happy to be left and so that they can read all policies and procedures and ask any further questions.
